What's New

Know that All Our 170+ Hotels and Resorts Have Earned the **Green Key Distinction** This global Green Key Eco-certification was awarded based on our full portfolio's overall

environmental performance. We are pleased to have been a leader in all of Mexico developing and perpetuating sustainable lodging practices and operations in both our existing hotels and resorts as well as in all our new properties opening soon. The Green Key Eco-Rating program, ranks, certifies and inspects hotels based on their

commitment to sustainable operations and practices, and participating properties are listed on

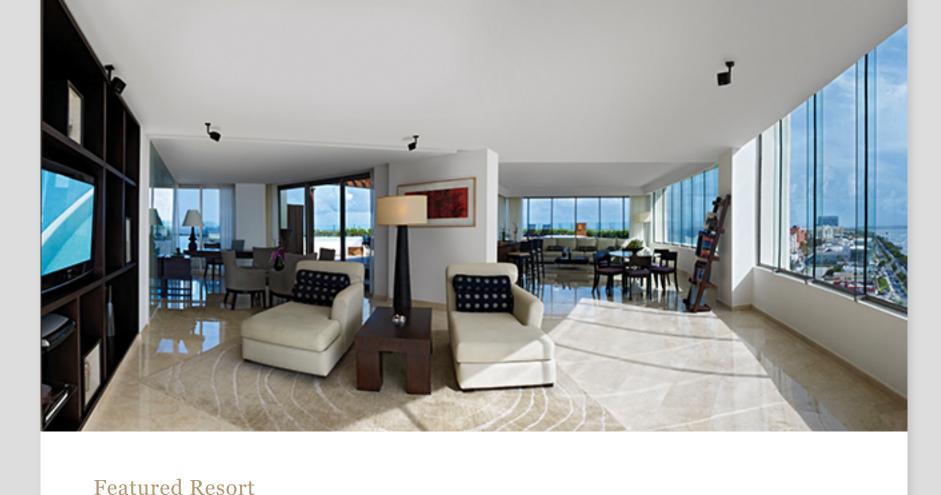

the www.greenkeyglobal.com website, a valuable resource for environmentally conscious

travelers and meeting planners, and also are recognized through Green Key Global's network

TAKE ADVANTAGE OF OUR

Thank You to All Who Celebrated our Cinco de Mayo "Flavors of Mexico" Week and our Toes in the Sand Event With Us! Cinco de Mayo "Flavors of Mexico" Week Cinco De Mayo provided the backdrop to what was an amazing week. This year we

celebrated Cinco de Mayo through a "Flavors of Mexico" theme. This meant Mexican aprons

for everyone, the opportunity to sample great Mexican food and chance to win raffles for

Gastrotour that each trip included, providing the perfect channel to learn more about

Mexican cook books and trips to various destinations in Mexico. These raffles highlighted a

traditional and modern Mexican cuisine.

Relaxation, service and a unique approach to highlighting the Mexican Spirit of our hotels and resorts. Our 'Toes in the Sand' West Coast Market Event was a unique opportunity to host meeting planners in a unique, relaxed setting punctuated by our award-winning, warm Mexican hospitality. The event group was treated to our Toes in the Sand spa treatments and a mix of casual, informational sessions with members of our International Sales Group. We can think of no better way to share what makes Fiesta Americana Grand Meetings Mexico hotels and resorts #1 in all of Mexico, and method to spend quality time with many of our
