# Snorkel To El Cielo

Cozumel can show you twice "El Cielo" you can see it up above in the sky, or if you decide to join us on a boat journey of 40 minutes south of the island to find "El Cielo" which is a secret place unknown for many people.

It's a spectacular sandbar filled with starfish and stingrays that can be seen from yards away because of the crystal clear waters of El Cielo. Visit them gives us the opportunity to raise awareness of its importance in the conservation of the marine species in their natural environment. Excellent opportunity to snorkel at the Colombia reef.
