## Meet the Team

### Greetings from Mexico City

As the leading hotel group in Latin America, we're doing all we can to ensure that our hotels and resorts are ready when travel begins again. Also during this time, because our employees are a part of our Fiesta Americana Grand Meetings Mexico & Beyond family, we wanted to let you know about a number of initiatives that are taking place on their behalf and on behalf of our local communities.

- We are continuing to provide for the well-being and security of our 80,000 employees, and will continue to pay them and provide them with financial security during this COVID-19 pause in operations.
- Posadas is also donating more than 12,000 room nights for First Responders on the front lines of this current COVID crisis. It's our way of saying thank you for their tireless efforts, and all they do.
- Through our Posadas Foundation, we support families of our employees and in the community with scholarships and many other needs they may have.
- We are maintaining our partnership programs and these will continue now and beyond when travel activities begin again.
