Meet the Team

Teamwork at it's Best: Dealing with Hurricane Delta

The 'show must go on' and with the Diamond Mortgage Group we were able to quickly evacuate from Live Aqua Cancun Beach Resort in advance of Hurricane Delta to Grand Fiesta Americana Merida, and then safely return them back to Live Aqua Cancun to complete their fantastic event.

We recently experience the perseverance, dedication, strength, and overall exceptional care for our group during a very challenging and serious weather change. Our initial group arrived early to enjoy some extra days prior to our conference. On the day we were expecting another wave of our group, weather condition changed drastically to indicate a category 4 hurricane in route to Cancun.

With an immediate evacuation notice, we not only had our people onsite to consider, but we also had a very large group in route via air travel. The management of Live Aqua sprung into action to secure safe haven at their sister property in Merida. Our group did not miss a beat thanks to the amazing people at Live Aqua.

Our team was there to ensure the smooth transition and make certain the dinner and group event went off without a hitch. This is just another example of the teamwork that goes into planning and ensuring the highest standards and hospitality when it comes to all our group events and meetings.
