

# TIME TO *Live* GROUP PROMOTION

**A captivating, immersive experience where elevated Mexican hospitality meets European charm.**

Voted #1 city in the WORLD in 2024 by Travel & Leisure, and a UNESCO World Heritage Site, San Miguel de Allende is at the top of everyone's travel bucket list. And it's no surprise to us since Live Aqua San Miguel de Allende is immersed in the center of this vibrant, historic, and charming 16th-century Spanish colonial town where cobblestone streets wind through the town's thriving arts and exciting culinary scene.

It's a truly inspiring location for a destination meeting, and Live Aqua San Miguel de Allende is, as the "Forbes Travel Guide" said, "a destination unto itself with its colonial-meets-avant-garde décor, modern art throughout, culinary diversity and generous outdoor spaces to enjoy the natural surroundings." With extraordinary modern Mexican cuisine, beautiful Urban Spa, sprawling vineyards nearby, and spectacular indoor and outdoor meeting spaces, your meeting or event will be unique and memorable.
